

Our **Timber Pest Manager** course has been designed to deliver the required minimum competencies for experienced Pest Technicians and Building Inspectors to meet the [Timber Pest license or insurance requirements](#).

This qualification is offered through an online blended delivery method, whilst under supervision of a qualified Timber Pest Manager.

In this course students will build knowledge and skills to operate competently and safely to:

- ❖ Identify and manage the **most encountered** timber pests
- ❖ Gain skills in inspection to assess infestation, cause and severity of timber pests
- ❖ Complete reports for timber pest activity in domestic, commercial, and industrial environments
- ❖ Apply treatments using appropriate equipment

#### Units of Competency:

- ❖ CPPUPM3008 Inspect and report on timber pests
- ❖ CPPUPM3010 Control timber pests

#### Training, Resources & Support:

- ❖ **Online Lessons:** Course material is interactive and readily available from our training portal
- ❖ **Webinars:** Access recorded webinars, hosted by our trainers, covering key course materials.
- ❖ **Student Support Hour:** Virtual face to face support with our trainers, for assistance with course material and assignments are held twice a week
- ❖ **Chat & Email:** Submit your course or assessment queries 24/7 via the chat option on the online portal or via email.
- ❖ **Other:** To provide additional support and reference, students are encouraged to purchase/source copies of:
  - Textbook: "Australian Termites"
  - the Australian Standards and Codes of Practice for Timber Pest Management.

#### Mode of Assessment

All units are assessed online, and include:

- ❖ **Theory Assessment:** Students complete a range of Multiple Choice and Short Answer questions on the course content
- ❖ **Practical Assessments:** Students record a range of videos demonstrating their ability to competently apply their skills and knowledge across three live job sites.
- ❖ **Logbook:** Student must complete a logbook of 10 Timber Pest Inspections & 10 Timber Pest Treatments under an accredited technician.

#### Where:

Online portal is easily accessible and available 24/7 from any phone, tablet, or computer.
